INTERNATIONAL CONFERENCE ON HEALTHCARE QUALITY AND PATIENT SAFETY 2025

**Core Theme: Quality And Patient Safety,
Reducing Variance to Standardize Patient Care**

Greetings from the Organizing Committee!

On behalf of the organizing committee, we are delighted to invite you to our upcoming Pre-Workshop and Conference, set to take place on **April 26th & 27th, 2025** at Pushpagiri Medical College Hospital, Thiruvalla, Kerala.

In today's healthcare landscape, reducing variance in clinical processes and improving patient safety are critical goals for achieving high-quality patient outcomes. This year, our Core Theme,

Quality and Patient Safety: Reducing Variance to Standardize Patient Care

reflects the growing focus on standardization as a pathway to reducing errors, enhancing care consistency, and ensuring better patient experiences.

We look forward to creating a platform for knowledge-sharing, collaboration, and professional growth, where healthcare leaders can connect and drive meaningful change in the pursuit of high-quality, standardized patient care.
